

**What have those who have
attended thought about CEW?**

My reluctance to attend my first CEW was matched only by my eagerness to keep going. CEW opened me to a faith community and a greater awareness of service to God. From spending an hour every week at Adoration Chapel to laughing with my BFFs as we clean the church to bringing His word to prisoners, CEW did not change me, it rearranged me.

Everyday you get home from work and want to relax. However, some of your friends and maybe your wife have been asking you to attend a Christian Experience Weekend. You think to yourself, a weekend with a bunch of guys I don't know and listening to the Bible being preached all day? You signed up and Friday don't want to go. But you do. You talk to a couple of guys. Some returning members. You notice the smiles and happiness. Talks may be given from past members. During the weekend you may feel it, it being the Holy Spirit at work in you and others. It gets better. Jesus has been loving you forever, all you need to do is open the door and invite him in. The Bible was preached but in different ways. I guarantee you!

The Christian Experience Weekend (CEW), is an adult renewal weekend for persons 18 years of age or older. CEW is intended for anyone looking to live life more fully as an adult Christian. CEW grew out of the realization that the Christian Life has to be experienced before it can be properly appreciated.

The community based weekend includes talks, discussion, prayer services, and Mass. A team of lay people, priests, deacons and sisters conduct the weekend.
